

Electricities Schedules Early Morning Outage April 10th for Routine Spring Maintenance

This Sunday, Electricities has a scheduled power outage from 3 a.m. to 4 a.m. for some of its customers. The outage will allow crews to perform routine spring service on the lines serving downtown and the Rosedale area.

Affected areas are shown below:

Electricities expects the outage will last no longer than an hour. Customers with questions should contact Electricities at 704-948-0550.

Should the outage last longer than 4 a.m., customers can use the restorepower@electricities.org email address the same as they would to report any unplanned power outage.
